

Sending and Receiving e-Faxes

YOUR E-FAX # IS _____

1. To send an e-Fax to a recipient, create a new e-mail message in your e-mail manager
2. In the To field, type the recipients 10 digit phone number (ex. 7132315008), followed by @netsatisfaxion.com. See the example in the picture at right.
3. Add a subject line as you would like it to appear on the fax header page.
4. Attach any documents that you want to be sent. The system can support PDF, DOC, DOCX, TIFF, TIF, XLS, XLSX.
5. In the body of your email, write anything you want to appear on the body of the header page.

Now simply send the message as you would any other email.

Sending an e-Fax

If your fax was successfully sent to the recipient, you should receive the confirmation e-mail shown at right. You will also receive a copy of the faxed pages for your reference.
